

CHRISTMAS PICKLE

Assembly Instructions

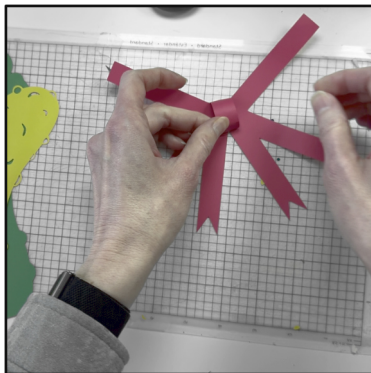

The Pieces

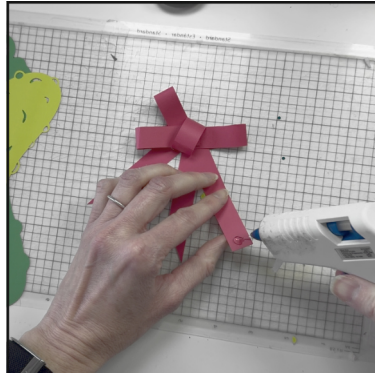

Supplies

adhesive

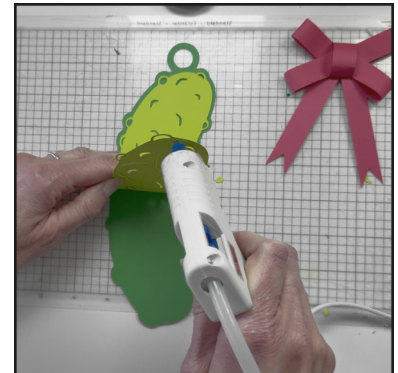

cardstock pieces cut out with
your cutting machine

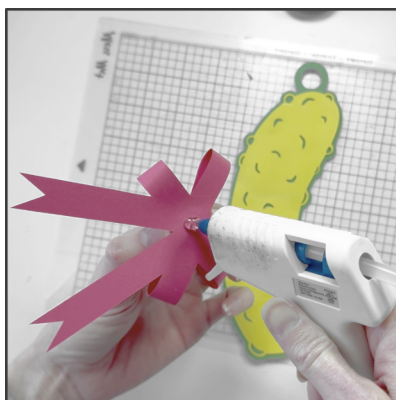

Step One: Roll the top center of the bow down to form the center loop of the bow. Glue in place.

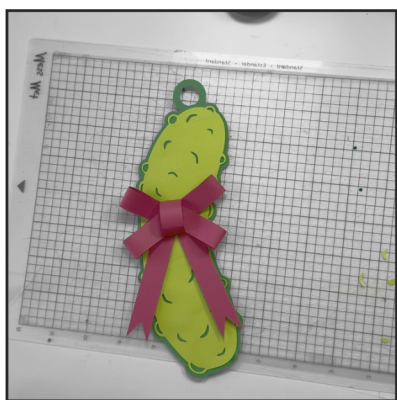

Step Two: Take each side of bow and tuck the end under the center loop. Glue in place. Repeat for all four sides of the bow.

Step Three: Glue the pickle top onto the pickle bottom.

Step Four: Glue the bow onto the pickle.

Step Five: Enjoy the Christmas Pickle.
